The Jubilee Year of Mercy commenced when Pope Francis opened the Holy Door of St. Peter’s Basilica on December 8, 2015 and on December 13, 2015 all the Holy Doors in Cathedrals and designated churches throughout the world opened to pilgrims.

Pope Francis announced an opportunity for Catholics to obtain a plenary indulgence during the Year of Mercy by passing through a designated Holy Door during the Year of Mercy, or performing one of the corporal or spiritual works of mercy; and fulfilling the usual conditions of having the interior disposition of complete detachment from sin, receiving sacramental Confession and the Holy Eucharist, the profession of faith, and praying for the intentions of the Holy Father.
