Anthony Estes

World Championships of Performing Arts

Anthony, son of Dale and Michelle Estes, has been playing the piano since he was 7 and composing his own music since he was 12. It has been a lifelong dream of Anthony’s to be able to write and perform his music. In October of 2016, Anthony auditioned for the World Championship of Performing Arts. He was selected as a 2017 Team USA World Championship of Performing Arts contestant. Anthony will be joining other contestants from around the world during a nine day Olympic style competition. As a USA Team member he will vie for “the gold” and will be judged by managers, agents, casting directors, producers, etc. from Hollywood, Nashville, and New York. During this nine day period he will be attending a “music boot camp”, conducted by the nation’s top in the music industry. Scouts from the entertainment industry will be there looking for prospective artists in their field. This is a HUGE and rare opportunity! However, it requires travel, motel, fees, and many misc. expenses. It was recommended that he raise $5000-$10,000.

Mark your calendars!!!

After the evening Mass Apr. 29th and morning Mass Apr. 30 you will have the opportunity to ask him questions, hear some of his compositions that he will be playing in Hollywood this June, and have the option of making a donation. Please join us in Carroll Hall. Cookies and punch will be served.
