St. Barbara’s Parishioners

At the September business meeting of the women it was decided that we would not have a Craft Fair this year. Instead we are going to have a Big bake sale at Country Christmas at the Commons in December. Of course, we need the help of anyone in the parish that will bake and donate any home baked goodies. We know that some items sell better than others – pies, tortilla shells, breads, cookies, etc., but we will take any baked items you are willing to donate.

When the time gets closer we will call on you to help with the selling of these items, spending one hour at our table. This is a fun thing to do as you get to see your friends and neighbors as they pass by.

Our monies go to Serenity, back packs for kids, seminarians, parishioners in need, Crisis Center, etc.

Keep this in mind and think about what you can donate to help this project.

There will be a Safe Environment training at the Newman Center on Thursday, October 12th at 4:00 pm. This training is open to any parishioners who have not yet attended and need this certification to allow them to work in any area of ministry in the church. All Extraordinary Ministers of the Eucharist, Knights of Columbus, parents who want to help in the classroom at Faith Formation, or volunteers of any kind are encouraged to take the training. This training, along with a Background Check from the Diocese, is set up to protect our children and vulnerable adults. It allows volunteers to get involved in the many needs and projects of our parish, and serve the church by serving our neighbor.
