Spring is here! It will soon be time to add plants to our landscape. This year we are offering the parish an opportunity to participate. If you would like to “Adopt a Planter”, we will have them available the weekend of May 19-20. The planters will be placed along the west side of the office building. A family, or individual, may take the pot that they want home, add potting soil and plants, and return it to the same area the last week of May. Or they may bring their plants here to add to a planter. We will take care of the watering and fertilizing from then on. Thank You!
