The statue of Our Lady of Guadalupe will be moved to the link area between the church and Carroll Hall. The statue has some cracks and is in need of restoration. As this statue was not manufactured for outdoor placement, the need for repainting and repairs has been costly. The statue will therefore be protected from the elements and better preserved inside.

Priests for Life have requested that the following very comprehensive resource be included in church bulletins - Heartbeat's OptionLine.org, or its 24-hour emergency helpline 800-712-HELP (4357) where callers are connected to the help available close to where they live. Confidential guidance is offered in English and in Spanish, and many of these centers also have healing programs for those hurting from abortion.
