Five Things You Can Do TODAY to End the Death Penalty In Wyoming:

1. Write an email to your legislator asking them to support repealing the death penalty—and follow up with a phone call a few days later! You’re they’re constituent; they want to hear from you the most. *(Here’s a suggestion, too; if your legislator is for the death penalty or is on the fence ask them out for a coffee and have a conversation!)*

2. Write a letter to the editor of your local newspaper about why you support ending the death penalty, and ask your community members to join you.

3. If you are on Facebook, “like” the campaign page and share it with your friends, with a message about why you want to end the death penalty: FB.com/WyoEndDP

4. Host an informational event in your community, maybe at your home or even at a local coffee shop or library.
