As we near June, we're joyfully looking forward to being able to expand the capacity for Mass attendance. **Beginning June 1st,** we will be able to have as many people in the church as can safely fit (maintaining 6ft distance between households).

**Here are a few important points:**

- Individuals/households must maintain a six foot distance. (There will be tape marking the pews to provide guidance.) Please keep in mind that we're asked to maintain the 6ft distance before and after Mass as well.

- Those who attend Mass are required to wear a mask.

- We may have ushers directing families/individuals to pews during weekend Masses.

- We will no longer be using the online signup sheet. Attendance at weekend Masses will be on a first come basis. Please keep in mind that Masses may fill up and it may be necessary to have some "holy flexibility" and generosity regarding which weekend Mass you attend.

- During Mass, Father can only offer communion in the hand. However, if you wish to receive on the tongue, you may wait until after Mass has been completed, at which time Father will return to the sanctuary, and those who wish to receive on the tongue can come forward at that time. In order for Father to know if there are people desiring this, he asks that you come forward in the regular communion line, cross you arms for a blessing, and tell him that you will receive after Mass.

**Beginning June 1st, Fr. Phil will return to the normal schedule for daily Masses.** Tuesday-12:00pm Wednesday-5:30pm Thursday-7:30am Friday-7:30am
Father will continue to have the Church open for personal prayer on a daily basis from 8am to 5pm.

And finally, **the Adoration Chapel is now open!** Here too, we must maintain 6ft. distance. Please be considerate of others, knowing this will limit the number of people who can be in the chapel at one time.

If you have any questions, don't hesitate to reach out!

God Bless!
